___ 4895	___ 4953	___ 9511							

If your SIC code is 3312, do you perform COKE oven byproduct recovery operations?

YES

NO

If your SIC code is 4953, does your facility accept waste from chemical manufacturing plants, coke byproduct recovery plants, petroleum refineries, or and industry with a SIC code potentially subject to benzene NESHAP regulation?

YES

NO

2 Does this hazardous waste contain benzene? Y N

3 What is the TOTAL Annual Benzene (TAB) for the facility that generated this waste?

_____ Megagrams / year
(1 MG = 2200 lbs)

For what calender year
was the TAB calculated? _____

4 What is the Total Benzene concentration in your waste? _____ percent _____ ppmw

The basis for this benzene concentration is: Knowledge of the waste _____ Test Data _____

If knowledge, please describe the
knowledge that you rely upon in
making this claim:

If testing was used, please attach
analytical. Please list sampling
date(s):

- 5** Has the process that generates the Benzene containing waste stream materially change since the time of your evaluation-based on testing or knowledge? Y N
- 6** Does the waste contain >10% water? Y N

GENERATOR CERTIFICATION

I certify that all information (including attachments) is complete and factual and is an accurate representation of the known and suspected hazards, and that no omission of the Benzene composition or properties exist. If the concentration of Benzene in this waste stream is represented as a range, I certify that the actual Benzene concentration in the waste being shipped is NOT greater than the maximum of the range listed. Further, I agree to notify Tradebe Treatment and Recycling, LLC if any of the above information changes.

I agree by affixing my authorized signature that I hereby certify that the above and attached description is complete and accurate and that no omissions of characteristics, composition or properties exist and that all known or suspected hazards have been disclosed. I also certify that each sample provided to Tradebe is representative of the waste material described above and give Tradebe permission and consent to make amendments and corrections and that I am an authorized agent of the Generator.
